A person is rock climbing on a large, dark rock face on the left side of the image. The climber is wearing a blue tank top and dark shorts. A rope is visible running down the rock face. In the background, there is a large, calm blue lake, and beyond that, a range of dark, forested mountains under a clear blue sky. The text is overlaid on the right side of the image.

A local interest in sustainability-- economic, environmental, and cultural--is shaping the development of academic and co-curricular activities (Educational Master Plan, 2009)
